**“Conclusion of agreements with MIKUNI (Malaysia)” and  
“Establishment of maintenance shop in Bintulu, Sarawak”**

Motoyama Engineering Works, Ltd.  
President and CEO: Toshiaki Shimpaku

Motoyama Eng. Works, Ltd. announces that following 2 agreements have been concluded by holding a signing ceremony between MIKUNI (Malaysia), who is selling industrial products such as valves with their maintenance service in Malaysia, and Motoyama on August 1, 2011.

1. Sales Agency Agreement
2. Maintenance Service License Agreement

With Sales Agency Agreement, sales network of Motoyama products (Control Valves, Safety Valves and their parts or accessories) in Malaysia is systematized and strengthened by means of sales network and human resources of MIKUNI.

With Maintenance Service License Agreement, a maintenance shop will be established by MIKUNI in Bintulu, Sarawak, which is an important location for Motoyama products. The shop will be an authorized shop of Motoyama through technical guidance and shop audit by Motoyama and then maintenance service system of Motoyama products in Sarawak and Malaysia will be fulfilled. The shop will be completed in October, 2012.

This is the third shop of Motoyama authorization following after Singapore and Taiwan.
