President and CEO: Toshiaki Shimpaku

There have been inquiries about the business relation or alliance with a manufacturer abroad whose name includes letters of "MOTOYAMA" and is similar to our name, from customers in Japan and abroad to us and our sales representatives. Every time we are inquired about the relation, we have replied that we have had no relation with the company. We announce our understanding regarding the company as follows, since we have been inquired more frequently than ever.

We were founded in 1924 as the "MOTOYAMA-SHOKAI" company and were reorganized in 1938 as MOTOYAMA ENG. WORKS, LTD., which has had 89th years since its foundation.

Currently, we

1. do not have any subsidiary or group company that manufacture and sell our products outside of Japan.
