**“Conclusion of agreement with PT. MOTO-TECHNO SERVICE INDONESIA” and  
“Establishment of maintenance shop in Indonesia”**

Motoyama Engineering Works, Ltd.  
President and CEO: Toshiaki Shimpaku

Motoyama Eng. Works, Ltd. announces that “Shop Authorization and Maintenance Service License Agreement” has been concluded by holding a signing ceremony between PT. MOTO-TECHNO SERVICE INDONESIA (MTSI), who is supplying maintenance service of safety valves in Indonesia, and Motoyama on December 2, 2011.

With this Agreement, maintenance shop for safety valves of PT. MTSI will be an authorized shop of Motoyama through technical guidance and shop audit by Motoyama. After service system of Motoyama safety valves in Indonesia will be fulfilled by the authorization, including sales network of PT. WIRA NIAGA GRAHA, who is an affiliated company of PT. MTSI. The shop will be an authorized shop of Motoyama by September, 2012.

PT. MTSI and Motoyama have agreed to start preparation of PT. MTSI to become an authorized maintenance shop for Motoyama control valves after authorization for safety valves. Discussion by persons in charge has already been started.

This is the fourth international contract of Motoyama with regard to maintenance work following after Singapore, Taiwan and Malaysia.
